Docket No. 98-N-1265
Food and Drug Administration
5600 Fishers Lane Room 1061
Rockville, MD 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: Many of my friends and I require
special pharmaceutical compounds be-
cause we have multiple chemical
sensitivities and are sickened by
regular compounds. Please don't limit
the availability of special compounds.
